

OLSMGC AWAY TOURNAMENT SURVEY COMPLETED JUNE 2026

Thank you to all 100+ Olivas Links Senior Men's Golf Club members who responded to my recent survey request. I am pleased to report the following results for your review.

Summary: As of this time, there were 80 members (84% who responded) that intend to participate in one or more Away Tournaments for the remainder of this year. Three venues, Soule Park GC, Las Posas CC and Sterling Hills received strong support averaging over 60% of respondents. River Ridge GC Vineyard Course received just over 40% approval.

The lower number interested in playing at River Ridge on September 14th maybe due to poor course conditions in the past. I have decided to keep RR Vineyard for our September outing since they will have new golf carts with GPS, new outdoor furniture and based on recent reports

of positive improvements to the Vineyard Course. The tournament will use a team scramble format, and the committee will monitor course conditions before our outing and institute local rules if needed to address any possible issues.

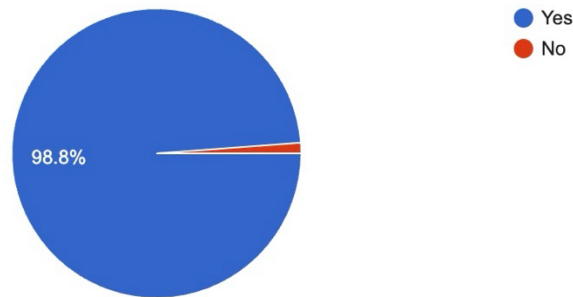

Members continue to support advance payment options for completing our registration process by an overwhelming 98%.

The last question asked members to indicate which of seven courses they would like to play next year. Moorpark CC came in with the most votes 61 representing 73% of respondents. Spanish Hills and Ojai Valley Inn were a close second and third place so all three will be added for 2027.

#3. Booking Away Tournaments requires an advance payment/deposit. Are you willing to pay in full when you register by using Zelle as an electronic payment or by mailing a check to the OLSMGC Treasurer or Away Director?

There were 14 comments suggesting: a) additional venues such as Saticoy CC, Rustic Canyon GC and Glenn Annie GC; b) using team formats versus net stroke play competitions; and, c) one member having major issues with traveling distance.
